

ACCELERATE INNOVATE ATTRACT

Our organization serves as a central hub, fostering dialogue, cooperation, and interaction among the key economic players in Les Îles-de-la-Madeleine. Our primary objective is to facilitate projects, with a particular emphasis in promoting innovation and optimal business practices. We guide companies toward tailored support and business acceleration services, providing them with the necessary tools to enhance their performance, drive innovation, boost competitiveness, and bolster the vitality of our island community.

OUR VISION

A sustainable and wealth-creating island economy through innovative and coherent projects resulting from a united and open maritime community.

OUR MISSION

Ensure the cohesion of actions to achieve the full socio-economic potential and the recognition of Les Îles-de-la-Madeleine.

OUR OFFERING

- Partnerships that stimulate the participation of the island community in its own future.
- Innovative promising projects supported by a strong network of collaborators.
- Practical initiatives in terms of promotion, attraction and strategic recruitment.
- Value-added organizational and investment strategies.
